As a study abroad student, it is your responsibility to:

- Consult with academic advisors and study abroad coordinators to identify courses/syllabi abroad that will be awarded as Rutgers credits for major, minor, or gen ed requirements necessary for degree completion.
- Check the Course Equivalency Database (<https://studyabroadprograms.rutgers.edu/>) for courses. If the courses you are interested are not listed in the database, you need to fill out the Course Equivalency Form. If your interested course is in the database, then you simply need to confirm that you meet the pre-requisites at Rutgers and the host program to take the course.
- Select an alternative for each course you request. In the event that your desired course becomes unavailable or your academic advisor denies your original request, you have options at the ready.
- Submit a copy of the completed Course Equivalency form to your academic department AND to Rutgers Global–Study Abroad. Include all email correspondence with the approver(s) when you submit the form to Rutgers Global–Study Abroad.
- AFTER your time abroad (once grades are posted to your Rutgers transcript), contact your academic department to apply the credit equivalencies, which will now appear on Degree Navigator.

Please contact Rutgers Global–Study Abroad with questions.

By signing and submitting this form, I certify that I have read and understand the policies as stated above.
