2019
INTERNATIONAL STUDENT ORIENTATION
August 26–August 30
Hosted by Rutgers Global—International Student and Scholar Services
Dear Students,

Welcome to Rutgers! We are delighted to bring you into the university family during this exciting time of international growth. As one of our largest classes of incoming international students, you help us to envision Rutgers’ future in an interconnected world. As our newest global citizens, you help us strengthen our tradition of academic excellence and our commitment to learning. Rutgers has been an international university since its founding as a Dutch seminary school in 1766, and we are honored that you have chosen to join us.

Rutgers Global is here to provide you with much of the assistance you need as an international student. We invite you to make the most of your time while at Rutgers and to participate in conversations and activities through the many exciting programs and opportunities offered at the university. Inside and beyond the classroom, you will meet people from around the United States and across the globe. They will be eager to learn about your stories—so please make an effort to share your experiences with your peers and classmates. As your hosts this week, we will help you to streamline your arrival and cultural adjustment, as we've done for thousands of international students and scholars who came before you, through advising services, immigration processing, and cross-cultural events and programs.

We know that it may take time for many of you to adjust to your new environment, and we are dedicated to ensuring that while you are at Rutgers and in the United States, you are comfortable in your surroundings and have the tools to succeed in the classroom—as well as outside of it. Our Office of International Academic Support is designed specifically to address the academic challenges unique to international students.

We want Rutgers to be your home away from home, a welcoming and safe environment for you to learn, to thrive, and to live. Rutgers Global is here to make your stay at Rutgers a memorable one. We are always open to suggestions on how we can improve the services and resources we offer to you and to the rest of our large international community, so feel free to contact us at info@global.rutgers.edu.

Best wishes for the new school year!

Professor Eric Garfunkel
Vice President for Global Affairs
