Re: Hiring a Rutgers F-1/J-1 International Student without a Social Security Number

Following are two very important items of information for any Rutgers unit wishing to employ a Rutgers F-1 or J-1 international student who has not yet applied for an SSN.

1. **Rutgers Payroll allows international student employees to be put on Payroll without an SSN, as long as they have proof of having applied for an SSN.** The New Brunswick Social Security Office provides such proof if the student asks for it at the time of applying for an SSN.

2. **The Social Security Administration requires F-1/J-1 students applying for an SSN to present evidence of having an on-campus job/fellowship offer** along with documentation of the student’s age and identity (usually a passport), a valid Form I-20 or DS2019 and admission stamp noting F1 or J1 Status (usually inside a passport). Although not required, it may be helpful to bring a print out of the electronic Form I-94 or a Paper Form I-94.

The New Brunswick Social Security Office has agreed that the attached form, once completed, will meet the campus job offer documentation requirement. It must be completed and signed by the employing department—and then signed again by a DHS-authorized “Designated School Official” at Rutgers Global- ISSS.
