Preparing your Optional Practical Training (OPT) Application
A step-by-step tutorial

Rutgers Global–International Student and Scholar Services

global.rutgers.edu
STEP 1 - Attend the appropriate workshop on CANVAS: Post-Completion OPT Workshop, or Off-Campus Employment Workshop (for pre-completion OPT)

STEP 2 - Prepare all application materials (using this step-by-step tutorial)

STEP 3 – Submit the Post-Completion OPT e-form request on the RGlobal portal. Meet with an international student adviser (ISA) to review your application and request your new I-20 with OPT recommendation (appointment is optional but highly recommended)

STEP 4 - Receive your new I-20 with OPT recommendation (when you receive an email saying it’s ready)

STEP 5 - Mail your completed application (including a copy of the new I-20 you just received) to United States Citizenship and Immigration Services (USCIS)
BEFORE YOU APPLY, PLEASE REMEMBER THE FOLLOWING:

• You MUST use the most updated I-765 form, which you can find at https://www.uscis.gov/i-765

• Your post-completion OPT application should NOT be mailed to the USCIS more than 90 days prior to the program end date on your new I-20 with OPT recommendation

• Your pre-completion OPT application should NOT be sent to the USCIS more than 90 days prior to your requested OPT start date

• Your OPT application MUST reach the USCIS within 30 days of the date your new I-20 with OPT recommendation was issued

• If approved, the Employment Authorization Document (EAD) card will be sent directly to you at the address you provided on the Form I-765. USPS will not forward the EAD to another address once shipped. Once you receive the EAD card, you are authorized to work on OPT between the start and end dates listed on the card.

• USCIS recently announced that the OPT application fee will increase from $410 to $550, effective October 2, 2020. Any applications received by USCIS on or after October 2, 2020, will require the increased fee of $550, so eligible students are encouraged to apply early

• You cannot begin working until you have received your new EAD card and the start date printed on it has passed
If you have completed your coursework or will soon be graduating, you must attend the Post-Completion OPT Workshop on CANVAS to receive important information to complete your OPT application and learn:

- What is Employment? Am I eligible for OPT? How can I apply for OPT?
- Defining Optional Practical Training
- OPT Timeline Scenarios
- Maintaining your status while on OPT and Reporting Requirements
- OPT Extensions

You can gain access to this workshop by request through the RGlobal Portal. You must fill out the “Online Workshop Access” e-form.

If you are looking for off-campus practical training (work) experience while you are still completing your degree requirements (CPT), you must attend the Off-Campus Employment Workshop on CANVAS.

Confirm your academic plans with your Academic Official

- Undergraduate students: this is your Academic Dean/Advisor
- Graduate students: this is your Graduate Program Director
- RBHS students: this is your Registrar

You and your academic official need to confirm the following academic dates, as they will impact your OPT eligibility dates. Your academic official will provide confirmation of this to our office via the OPT I-20 Request e-form in the RGlobal portal.

- Date 1: Completion of all coursework
- Date 2: Completion of all degree requirements (including non-coursework requirements such as thesis/defense)
  - If you are applying for post-completion OPT, this date will likely be the new program end date on your I-20.
  - That is also the last day you can work on-campus and CPT (if applicable); however, you may be paid following that date for work already completed.
POST-COMPLETION OPT
SCENARIO 1: APPLYING FOR OPT AFTER COMPLETING ALL DEGREE REQUIREMENTS

90 days before expected completion date, start your OPT application as it can take this long to process

The earliest possible requested OPT start date is the day after degree requirement completion date; the requested OPT start date must fall within 60 days of degree requirement completion date

*degree requirement completion date is determined by your academic official; generally this date is earlier than your current I-20 Program End Date
SELECTING OPT START AND END DATES – COURSEWORK REQUIREMENT

POST-COMPLETION OPT
SCENARIO 2: APPLYING FOR OPT AFTER COMPLETING ALL COURSEWORK (only for students who have a non-coursework degree requirement and plan to start OPT before completing degree requirements)

- The earliest possible requested OPT start date is the day after coursework completed (if one-year requirement is met). The day before the requested OPT start date will be the new program end date on your I-20; that is the last day you can work on-campus. F-1 status ends at the end of OPT employment authorization; students who choose this option MUST complete all degree requirements and graduate within the period of authorized employment.
OPT APPLICATION PROCESS STEP 2
Selecting OPT Start and End Dates – Pre-completion
