IMPORTANT DEADLINES AND REMINDERS

CHECK-IN ON YOUR RGLOBAL ACCOUNT

All new students must complete the mandatory check-in as a legal requirement of your F-1 or J-1 status. For detailed instructions, please review the RGlobal Check-in Tutorial (PDF) or watch the Check-In Tutorial Demo (Video). Log into your RGlobal account to get started.

REDUCED CREDIT/COURSE LOAD – FALL 2022 DEADLINE IS FRIDAY, SEPTEMBER 23

To maintain legal status, all F-1 and J-1 students must pursue a full course of study at all times. This means being registered for a full credit load (12 credits for undergraduates and 9 credits for graduate students). There are cases, however, in which regulations consider a student to be pursuing a full course of study even though he or she is NOT actually registered for a full credit load. This may apply to undergraduates who only need 1 or 2 classes to complete their program, or graduate students who have completed all coursework, but are still conducting thesis or dissertation research. This may be considered as pursuing a full course of study even though not being registered for 9 or 12 credits.

Please refer to the Reduced Credit/Course Load webpage to review the specific circumstances that render a student eligible for a Reduced Course/Credit Load. For students who are pursuing off-campus employment with authorized CPT, we remind you that full-time CPT is not an acceptable reason for a Reduced Credit/Course Load.
IF YOU WILL BE REGISTERED FOR LESS THAN A FULL-TIME CREDIT LOAD IN FALL 2022, you MUST submit a "Reduced Credit/Course Load" form to ISSS using the RGlobal portal. You will need approval from our office for less than full-time enrollment in any semester. The form can be completed online and will require your graduate program director/academic dean’s approval. Please review our website for instructions and information about the updated process to submit this form. The deadline for submitting the form is **Friday, September 23, 2022**.

Please check the University’s academic calendar for the appropriate add/drop dates, for the last date to drop classes without a “W” grade:

- Undergraduate Registration Calendar
- Graduate Registration Calendar

Bear in mind that it takes 3-4 days to process the form after receipt and we cannot guarantee timely processing of forms received after the deadline. This could mean loss of legal status and you will need to leave the country or apply for a reinstatement process with the US government.

Remember, the “Reduced Credit/Course Load" form can be submitted at any time before the deadline, but no later than September 23, 2022. Continuing international students who are outside the U.S. for the fall semester and will be enrolling for a less than full-time course load must also apply for reduced credit authorization.

**FALL 2022 INSURANCE EXEMPTION REQUEST AND WAIVER DEADLINE IS FRIDAY, SEPTEMBER 23, 2022**

**STUDENTS WITH A TA/GA APPOINTMENT**

Students with full TA/GA appointments who are enrolled in benefits through University Human Resources DO NOT need to contact our office to request a waiver of the student health insurance premium. You only need to submit your enrollment paperwork through Human Resources at the start of your appointment and do not need to submit waiver documentation to our office. Once Human Resources processes your insurance enrollment paperwork we will receive your coverage information and we will process your waiver.

**ALL OTHER F-1 AND J-1 STUDENTS MUST EITHER ENROLL OR WAIVE:**

**STEPS TO WAIVE THE STUDENT HEALTH INSURANCE FOR STUDENTS IN F-1 or J-1 VISA STATUS - DEADLINE IS FRIDAY, SEPTEMBER 23**

F-1 and J-1 students on a Rutgers sponsorship who have insurance coverage other than the student insurance plan that is charged on their term bills need to request a waiver of that insurance premium by following the exemption request process outlined below. Please note that Rutgers-sponsored international students cannot waive the student insurance plan through the United Healthcare website; it must be done through Rutgers Global – International Student and Scholar Services. The deadline for submitting the waiver is Friday, September 23, 2022.

Please complete the following steps to request the waiver:

- Review supporting documents you will need to provide or address to complete the exemption, all supporting documents must confirm that your coverage meets every one of the University’s health insurance requirements.
- Apply for the insurance waiver by completing the form available through our RGlobal Student Services Portal on the ISSS website.
- Submit the form and any supporting documents to the ISSS by Friday, September 23, 2022, to opt out of the university’s student insurance plan and have the premium removed from the term bill.

**Important Note: Students on another institution’s visa sponsorship** who are registered for a full-time course load and hold coverage other than the student insurance plan will need to waive their student insurance premium by following the online waiver instructions.

**BEWARE OF SCAMS**

We have been made aware of scams targeting unsuspecting international students and scholars. These scams have become increasingly sophisticated, oftentimes with an apparently government phone number appearing on your caller ID, or the caller knowing a lot of your personal information. As is true anywhere in the world, there are people who attempt to take advantage of international students and scholars, but with a little knowledge you can learn how to identify a scam and avoid falling victim to the scheme. Please refer to the ISSS website for more tips to avoid scams, as well as a list of helpful resources regarding scams and fraud.
