COMPANIES AND NGOs for VIRTUAL INTERNSHIPS (SPAIN)

PEMB – Barcelona Metropolitan Estrategic Plan

- Website: https://pemb.cat/en
- Address: Gran Via de les Corts Catalanes 672 (Espai CREC).

Brief summary of the company: the Barcelona Metropolitan Strategic Plan (Pla Estratègic Metropolità de Barcelona - PEMB) is a private, not-for-profit association – promoted by Barcelona City Council and the Metropolitan Area of Barcelona – presided over by the president of the Metropolitan Area of Barcelona (AMB)

The PEMB is an instrument for identifying the needs and potential of the territory in the medium term, for foreseeing tendencies and threats and for making proposals to tackle the future in the best conditions.

Interns tasks: The interns will have a challenge to study a specific market or sector of the city. At the end of the research, they will expose the study to all the team.

**FICAT FOUNDATION**

Ficat Private Foundation is a nonprofit organization, created as an association in 1996 and transformed into a foundation in 2000. It is formed by volunteers and collaborators, all professionals from different branches of social knowledge and aims to ensure social justice, to fight for the defense of human rights and the integration of all individuals and groups who are at risk of social exclusion, ensuring full exercise of their rights.

The Ficat foundation has a long history in the prison walls with various projects such as legal support at youth prison Roca del Vallés, mediation in prison at the prison "Quatre Camins".

It also has an extensive experience in training and socio-legal supporting of various vulnerable groups especially unaccompanied migrant children. About this last issue Ficat produced publications and research jointly with other entities such as the University of Barcelona and the Jaume Bofill Foundation.

The Ficat Foundation also has a strong commitment to several issues of international scope: from 1996 to 2003 has participated in the discussions of the Human Rights Commission of the United Nations. And it has co-funded international cooperation projects from 1996 to 2007 in Romania, Ecuador and Malawi.

Since 2012 we have participated with two other European associations in a Daphne project (European research program) on recidivism in the framework of youth justice about alternatives to deprivation of liberty, "Children: from victims of violence to actors of non-violence "in collaboration with Fondazione Falcone.

Now, Ficat Foundations **counts on 5 flats to host refugees.**

**INTERNS TASKS**
- Research
- Editing texts in English
- Organize activities with the immigrants and refugees.
